

This document is intended to help Affiliation Super Users drop a student from a section (course) in ADLC's Student Information System (SIS).

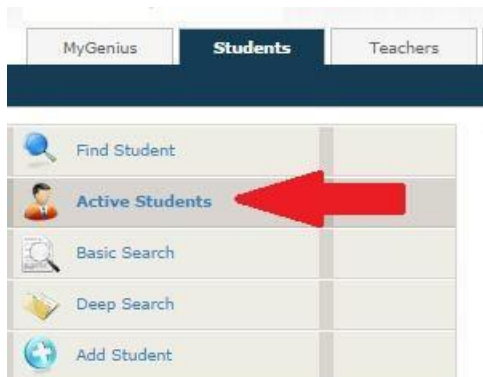

1. When you're logged into the SIS, make sure your **Affiliation Super User** role is selected before you begin. This can be found in the drop-down menu on the dark blue bar that runs along the screen.

2. Click on the **Students** tab.

3. From the menu on the left, click on **Active Students**. A list of all existing students will appear.

4. Click on the name of the student you want to drop from a section. The student's file will appear.
