

## Completing a Student's Teacher Support Enrollment in ADLC's SIS

Last Updated: January 31, 2018

*This document is intended to assist Affiliation Super Users with marking a student's Teacher Support (TS) enrollment as complete in ADLC's Student Information System (SIS). A student's TS enrollment should be marked as complete if they have finished the course and no longer require access to it.*

---

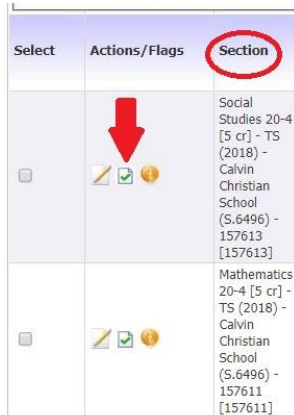

1. When you are logged into SIS, make sure your Affiliation Super User role is selected before you begin. This can be found in the drop-down menu on the dark blue bar that runs along the top of the screen.

2. Enter the student's last name, first name, the student's Alberta Student Number (ASN), or the student's SIS file number in the **Find a student...** field, then press the Enter button or click on the magnifying glass icon.

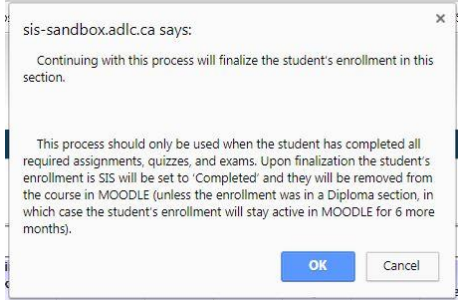

3. Click on the name link for the desired student.
4. From the Enrollments menu on the left-hand side, click **Current Enrollments**.
5. Refer to the Section column and locate the section you would like to Complete. In the Actions/Flags column beside the appropriate section, click the green check mark icon for the section that you would like to mark as Complete.

To view the enrollment, from the Enrollments menu on the left-hand side, click **Enrollment History**. You will see that the Status of the enrollment is listed as **COMPLETED**.
