

*This document is intended to assist Affiliation Finance Users with approving invoices in ADLC's Student Information System (SIS).*

ADLC's Invoice Approval System allows Affiliation Finance Users to access, print, and approve invoices for payment. Once invoices have been approved, follow your District's internal payment process. Payment can be made via cheque or electronic funds transfer (EFT). If you would like to pay via credit card, please phone our ADLC Finance Department with your credit card information.

Generally, the Master Account Receivable (MAR) is held by the District, and this District can see outstanding invoices for their schools (affiliations). Districts pay ADLC based on invoices that have been approved and submitted to the District office by the affiliations.

When ADLC receives a payment from the District, our Finance staff will mark the invoice as paid in SIS and will apply the payment against the MAR (rather than the individual school's account).

1. Log into SIS via the following link: <https://sis.adlc.ca/PublicWelcome.aspx>
